Dear Sir

I am a teacher of Microbiology with about thirty years of experience. After teaching Microbiology at UG and PG levels at Abasaheb Garware College and SP Pune University for a few years, I started coaching classes to prepare students for different National-level entrance tests for Masters and PhD programs. My activity needed a full-fledged library. I was also simultaneously running a clinical and analytical laboratory.

As I am on the verge of retirement, I wish to donate some books from my library and a few glassware, which can be helpful for UG teaching in microbiology. Prof VG Kshirsagar (retired professor of Microbiology from Abasaheb Garware College, Pune) suggested that I should approach Prof (Mrs) Bhandalkar from your college. She has identified the books and glassware useful to her.

I shall be thankful to you if you could accept the books and the glassware as my small donation to the college.

Thanking you and with regards

Yours sincerely,

S.K. Paknikar
