Alumni engagement is very essential for the development and growth of institute and students. Institute needs their benefits from their skills and arranging the program for pursuing students to offer the practical support and services for their careers.

The Someshwar Vidnyan Mahavidyalaya organized the alumni program for alumni meet and support, our alumni are ready to contribute significantly finance for the development of the institute. Some alumni provided their guidance to the students those who are studying in the college.

Alumni registration is under process. But we have arranged the alumni meets and taken their feedbacks and their registration forms. We are in touch with our alumni for arrangement of registered Alumni Association.
