Introduction

The role of educational institutions in nation-building is crucial as they shape the minds of the future citizens. Someshwar Science College recognizes this responsibility and has implemented various activities to provide students with an inclusive environment and promote respect for lingual, regional, religious, cultural, and social diversity. These activities play a significant role in nurturing a sense of unity and fostering a harmonious society.

One of the initiatives taken by the college is the inclusion of regional dance forms in their cultural programs. By showcasing diverse Indian dance forms such as Bhangra and Kathakali, students are exposed to the rich cultural heritage of different states in India. This exposure not only encourages students to appreciate and celebrate the diversity of culture but also motivates them to learn more about the traditions and customs of other regions.

To promote lingual harmony, Someshwar Science College celebrates lingual days, with a specific focus on Marathi Rajbhasha Din. During these celebrations, students are educated about the origin, usage, and literary beauty of the Marathi language. Furthermore, the importance of other languages in the development of Marathi literature is also discussed. This activity helps students understand the significance of linguistic diversity and fosters an environment where all languages are respected and valued.

Book donation is another impactful activity carried out by the college. By acquiring various books on different Indian languages and donating them to the library, students are provided with valuable resources to understand and learn multiple languages. This initiative not only promotes linguistic diversity but also strengthens the idea of unity in diversity by emphasizing the importance of all languages in our society.

In collaboration with TATA Trust and Janseva Gramin Vikas Shikshan Pratishthan, the college participates in the AASHA program, which provides primary education to migrant (Labours for Sugar Can Industry) and disadvantaged children who have deviated from the primary education system. Through the "Apulaki" program, we have collected used clothes, segregated them based on age groups and types, and distributed them to the needy people in the migrated students. Through this program, students learn the value of helping others and develop empathy and compassion for those less fortunate.

Constitution Day, celebrated on 26th November each year, holds great importance for Someshwar Science College. The college organizes events and activities to commemorate this day and promote a sense of nationality among the students. By instilling an understanding and appreciation for the constitution, students develop a deeper understanding of their rights and responsibilities as citizens, contributing to the overall growth of the nation.

Lastly, during the challenging times of the COVID-19 pandemic, Someshwar Science College displayed a strong commitment to social welfare by organizing a vaccination program. Faculty members and volunteers actively participated in the program, aiming to promote medical awareness and care for others in society. This initiative not only helped protect individuals against the virus but also instilled a sense of responsibility and solidarity among the students and staff.

In conclusion, Someshwar Science College's activities reflect their commitment to creating an inclusive environment and nurturing students who respect and celebrate lingual, regional, religious, cultural, and social diversity. By incorporating various cultural programs, celebrating lingual days, promoting book donation, engaging in community service, celebrating Constitution Day, and actively participating in the COVID-19 vaccination program, the college plays a significant role in shaping responsible and compassionate citizens who contribute positively to the nation-building process.

Someshwar Science College recognizes the importance of celebrating national, international, and commemorative days to promote a sense of communal socioeconomic values and sensitization among students and employees. These celebrations play a vital role in fostering social harmony and deepening understanding of constitutional obligations, values, rights, duties, and responsibilities of citizens.

Republic Day, observed on 26th January every year, holds immense significance for the college. The celebration of this day commemorates the adoption of the Indian Constitution, marking the establishment of India as a sovereign, democratic republic. By organizing events and activities on Republic Day, Someshwar Science College instills in its students and employees a sense of pride, patriotism, and appreciation for the democratic principles and constitutional framework that govern the nation.

Independence Day, celebrated on 15th August each year, is another crucial event for the college. This day marks India's freedom from colonial rule and the birth of an independent nation. The college organizes various programs and activities to commemorate this historic day, including flag hoisting, cultural performances, and speeches that emphasize the significance of freedom, unity, and the role of citizens in nation-building.

Karmaveer Bhaurao Jayanti is celebrated to honor the birth anniversary of Karmaveer Bhaurao Patil, a visionary educationist and social reformer who dedicated his life to providing education to the underprivileged. This day, celebrated on September 22nd, serves as a reminder of the significance of education in empowering individuals and transforming society. Someshwar Science College organizes events, seminars, and talks to commemorate Karmavir Bhaurao Jayanti, inspiring students and employees to contribute towards educational upliftment and social progress.

Through the celebration of these national, international, and commemorative days, Someshwar Science College creates an atmosphere of collective responsibility, instilling in students and employees a deeper understanding of their constitutional obligations, values, rights, duties, and responsibilities as citizens. These celebrations promote social harmony, national pride, and a sense of unity among the college community, fostering an environment conducive to holistic growth and contributing to the overall development of individuals and the nation.

Report on Maharathi Rajbhasha Din

Marathi Rajbhasha Divas was celebrated at Someshwar Science College, Someshwarnagar on 26th February 2021. The program took place in the FYBSc Lecture Hall and commenced at 10:00 a.m. The Chairperson for this auspicious occasion was Principal Prof. D.V. Bansode, Chief Guest was Mr. Nilkanth S. Ezgar, Asst. Teacher New English School, Dhakale and the entire program was hosted by Prof. Bhong N.N. and Asst. Prof. R.A. Pandit provided a brief introduction to the program and highlighted the significance of Marathi Divas.

The event began with Saraswati Puja (worship of the goddess of learning) and Deep Prajwalan (lighting of the lamp) by the chief guest, teachers, and students, creating an atmosphere of reverence and enthusiasm. Asst. Prof. R.A. Pandit then welcomed the Chief Guest Mr. Nilkanth S. Ezgar, to deliver his speech. In this speech Mr. Ezgar provided information regarding the importance of Marathi language in literature formation.

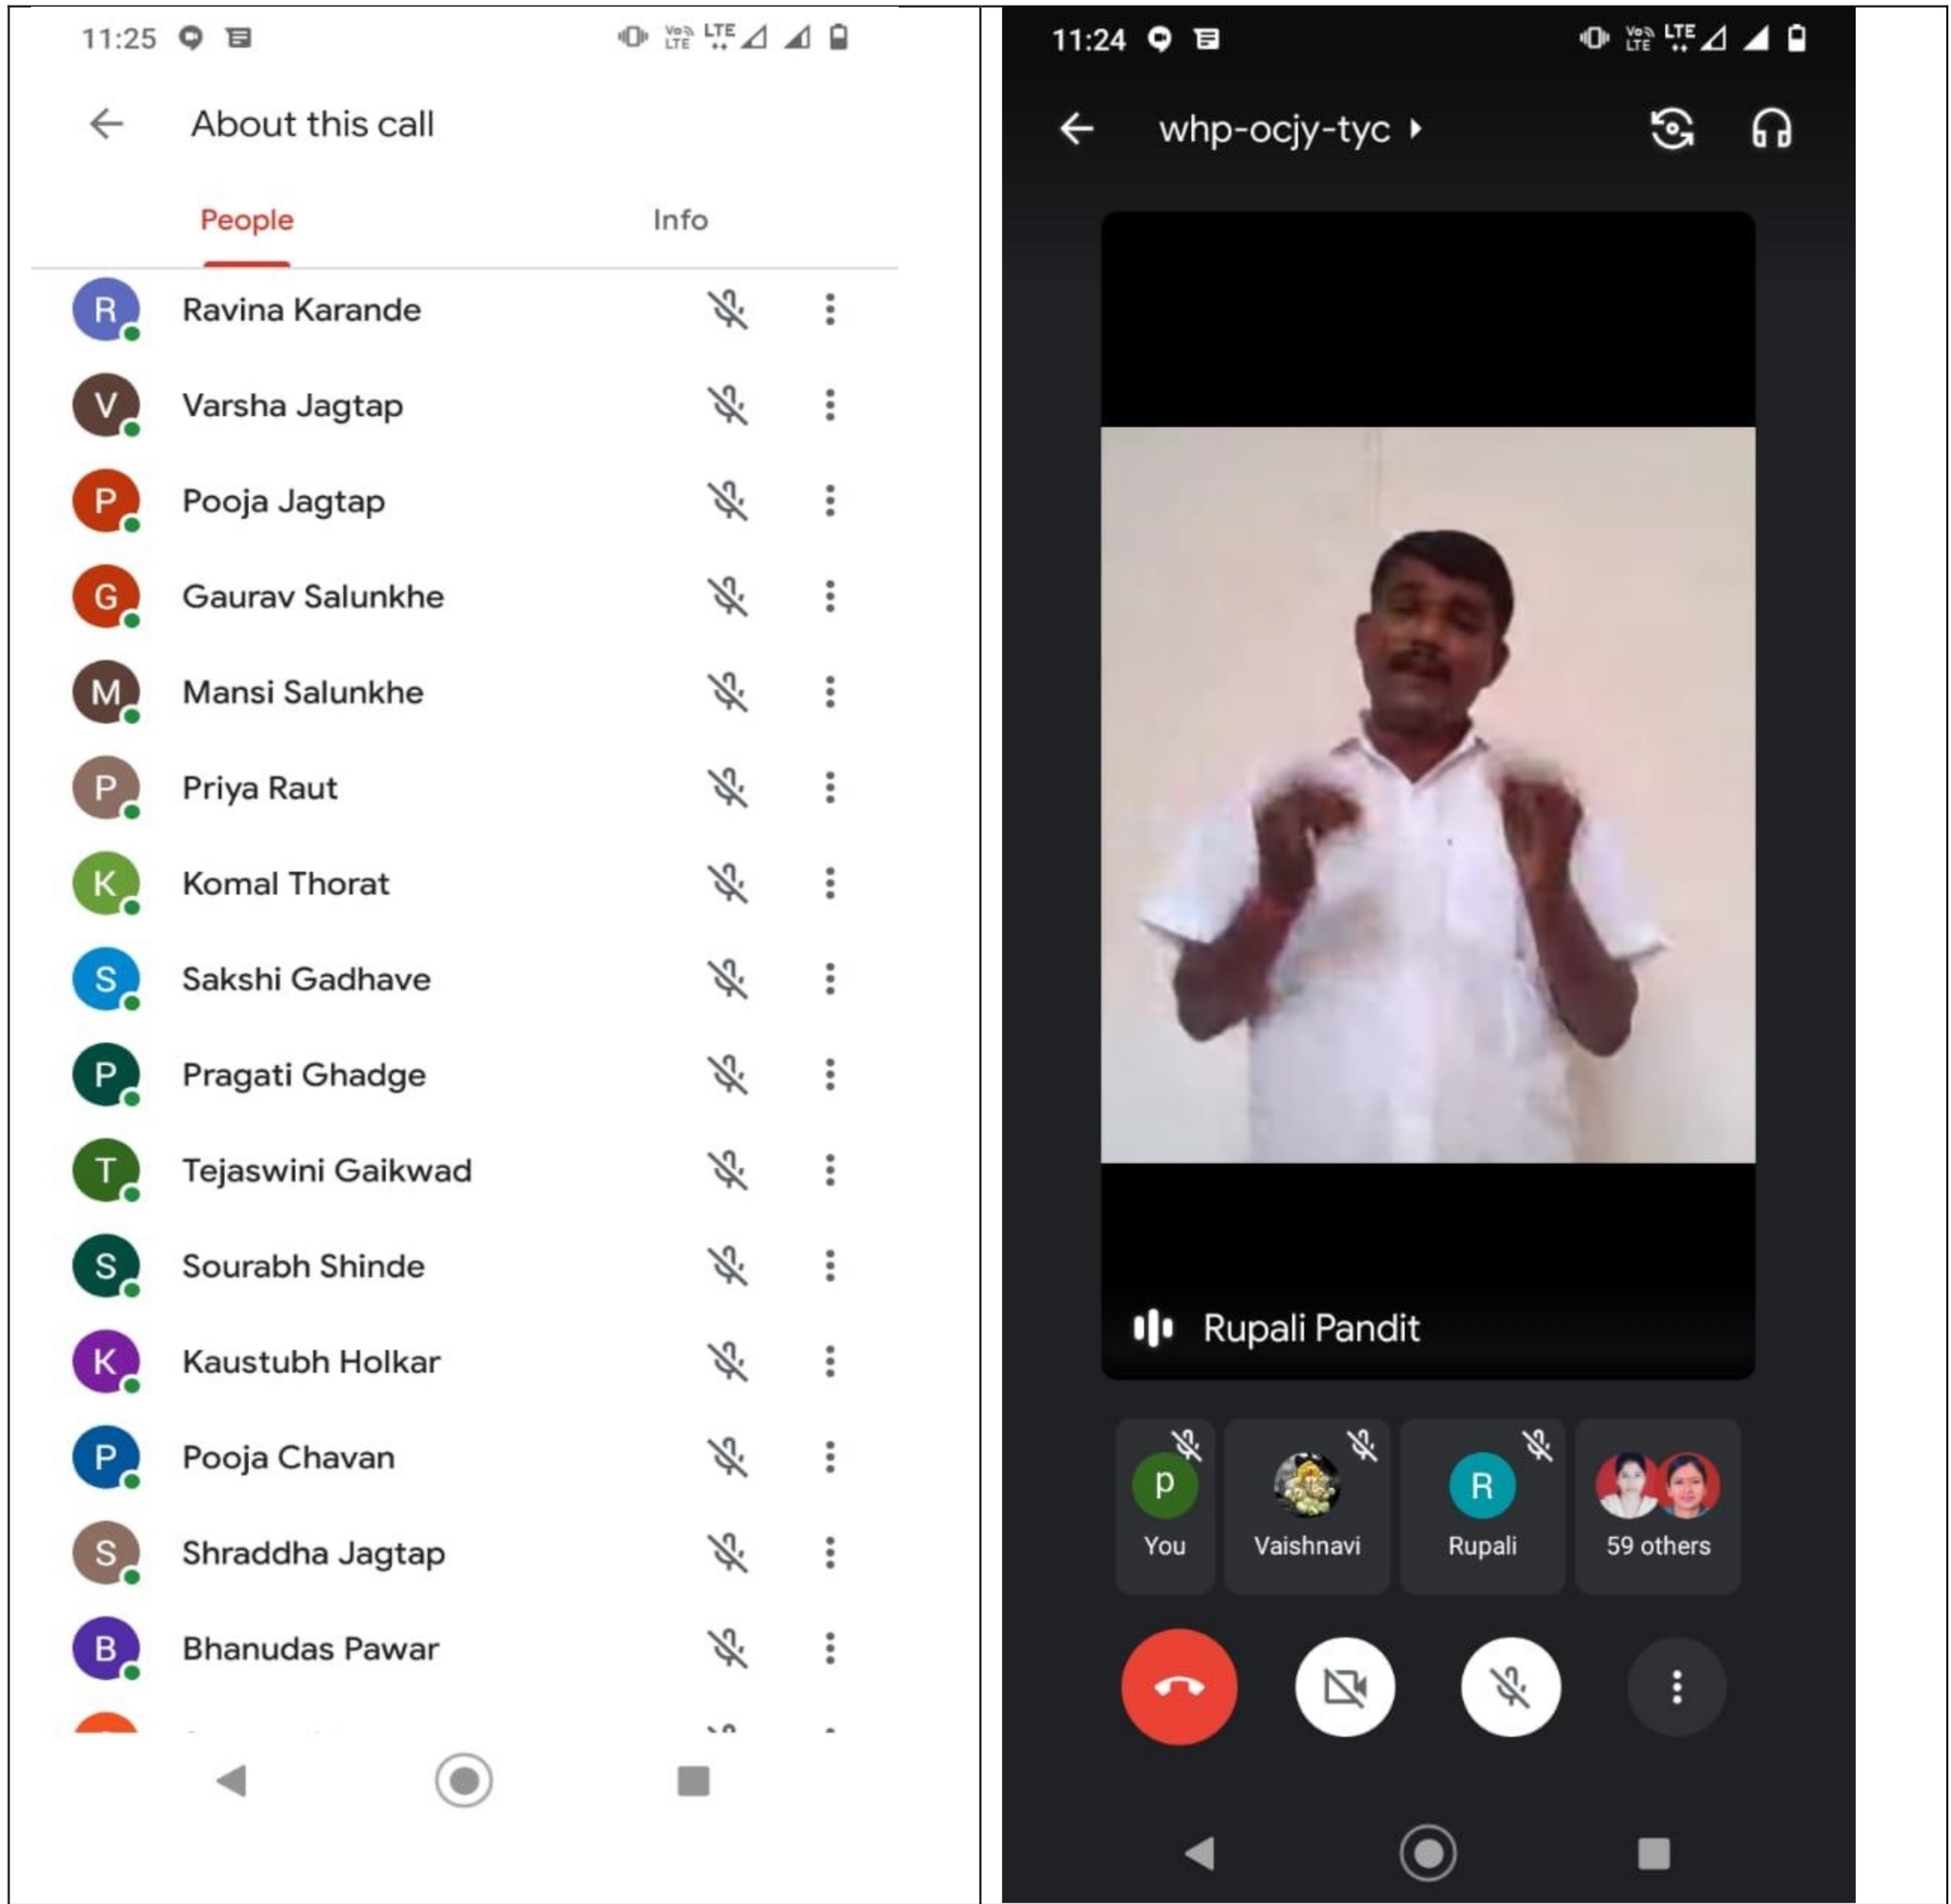

Afterwards, the Principal, Prof. D.V. Bansode to deliver his presidential address. In his address, shed light on the origin of the Marathi language and the invaluable contributions of Marathi writers to literature. He emphasized the importance of preserving and cherishing one's mother tongue while also encouraging students to learn multiple languages and enrich their cultural understanding.

Students also had the opportunity to express their thoughts on Marathi Divas. Miss Pranjal Holkar from F.Y.B.Sc., and Mr. Jay Yele from S.Y.B.Sc. Comp. shared their views on this occasion, providing insights into the significance of Marathi language and culture. Asst. Prof. Yadav M.D. from the teaching staff also expressed his thoughts, further enriching the discourse.

The program concluded with the Marathi Abhiman Geet and vote of thanks expressing gratitude to all the participants, organizers, and attendees. The event culminated with the rendition of the national anthem, symbolizing unity and patriotism.

The celebration of Marathi Rajbhasha Divas at Someshwar Science College showcased the college's commitment to promoting linguistic harmony and cultural heritage. The event provided a platform for students and teachers to express their love and appreciation for the Marathi language, encouraging its preservation and continuous learning. Through such celebrations, the college fosters an environment that values language diversity and nurtures a sense of pride in one's linguistic and cultural roots.
