**STUDENT SATISFACTION SURVEY (SSS) 2020-2021 SESSION**

Criteria II on Teaching – Learning and Evaluation

2.7.1 Student Satisfaction Survey

**Objective:**

Students Satisfaction Survey (SSS) was conducted among the students of the college. The questionnaire has been framed based on NAAC guidelines. The objective of SSS was to measure the student's level of satisfaction on their experiences with Someshwar Vidnyan Mahavidyalaya, covering the teaching learning process in the areas as shown below:

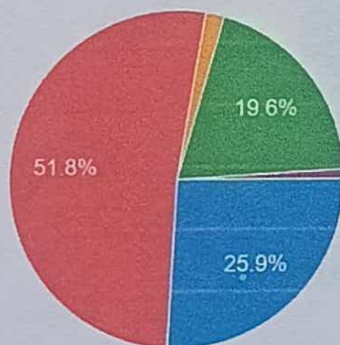

- a. Teaching-Learning Process
- b. Effectiveness of Communication
- c. Teaching-learning Resources
- d. Counseling Experience of Students
- e. Assessment Methods

**Survey Methodology:**

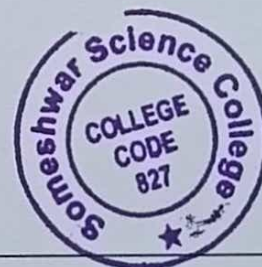

Someshwar Vidnyan Mahavidyalaya conducted Student Satisfaction Survey for the academic session 2020-21. The survey covered all active students where they are required to complete the Student Satisfaction Survey form on-line. SSS was designed as per the guidelines given by NAAC. The survey responses from 112 students were electronically tabulated for analysis and for continual improvement to processes and systems.

**Select Course:**

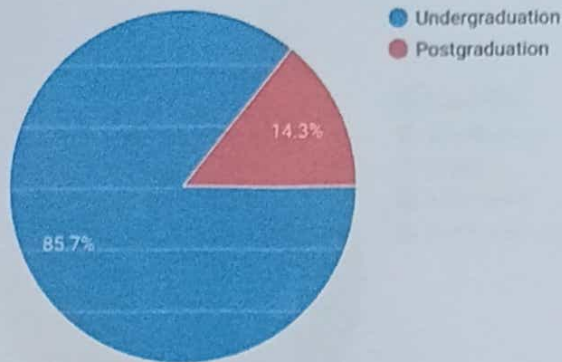

112 responses

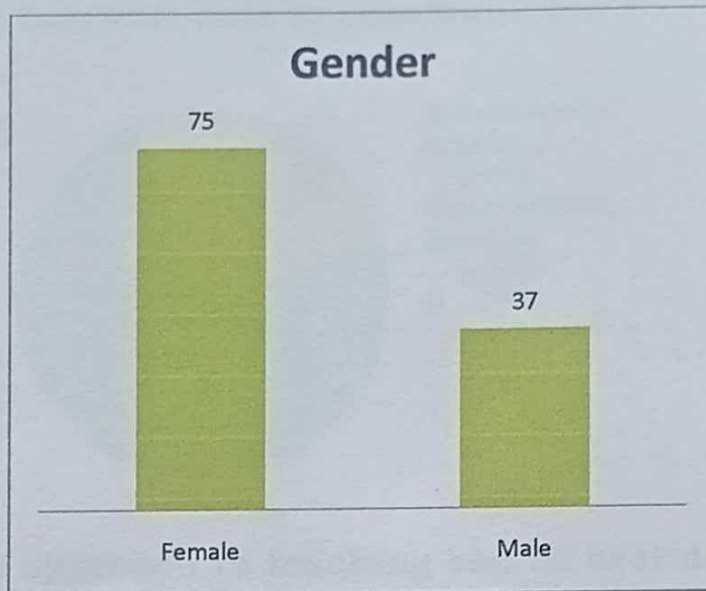

- Microbiology
- Chemistry
- Mathematics
- Computer Science
- Biology zoology

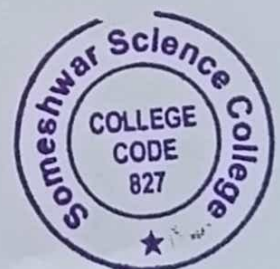

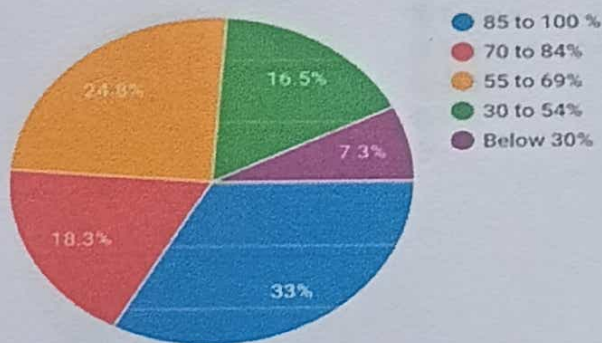

**Program name:**  
112 responses

**Gender:**

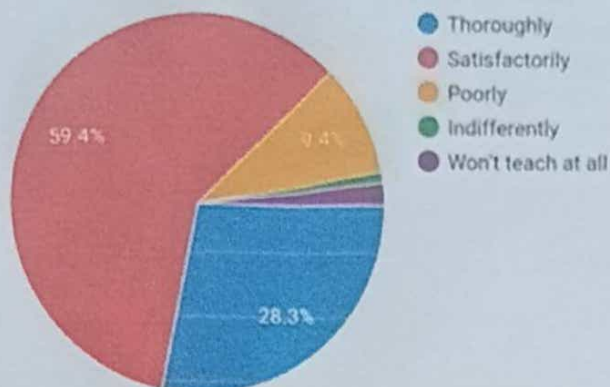

**1. How much of the syllabus was covered in the class ?**  
109 responses

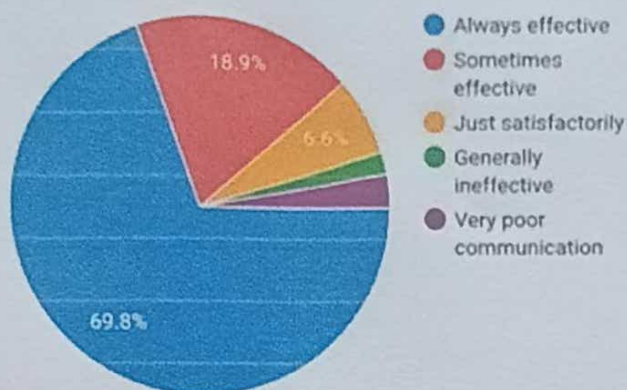

## 2. How well did the teacher prepare for classes ?

106 responses

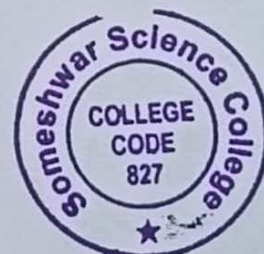

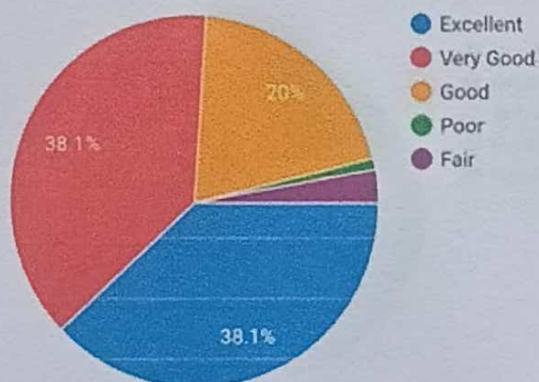

## 3. How well the teachers able to communicate ?

106 responses

## 4. The teachers approach to teaching can be best described as ?

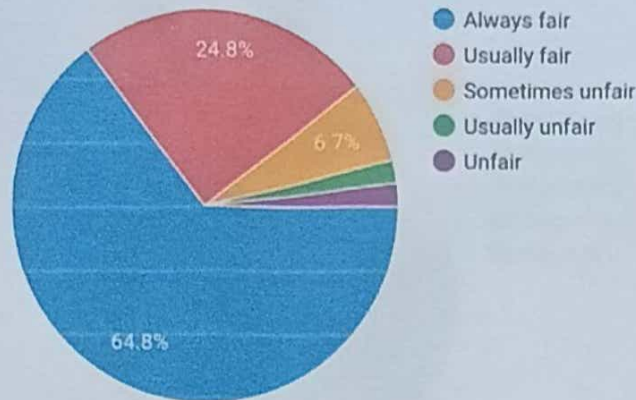

105 responses

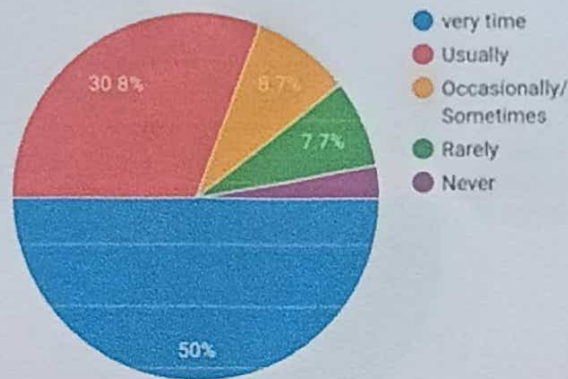

**5. Fairness of internal evaluation process by teachers .**

105 responses

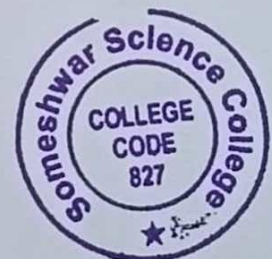

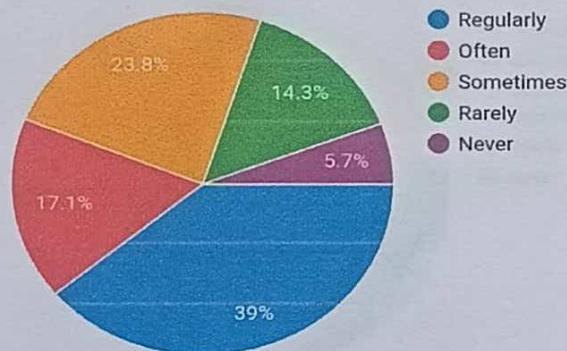

**6. Was your performance in assignments discussed with you ?**

104 responses

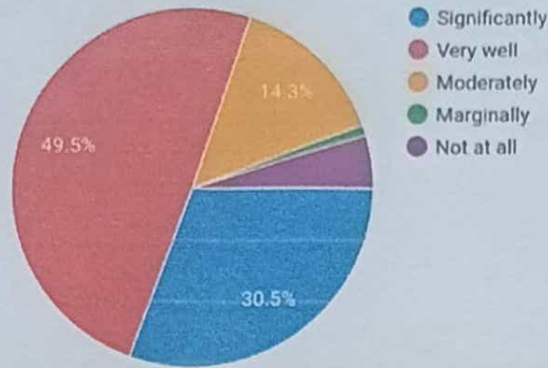

**7. The institute take active interest in promoting internship, student exchange, field visit opportunities for students ?**

105 responses

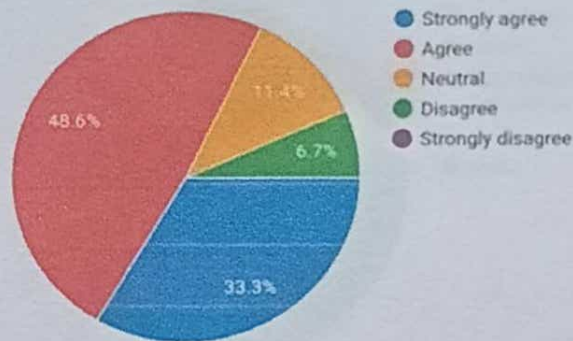

**8. The teaching & mentoring process in your institution facilitates you in cognitive , social & emotional growth ?**

105 responses

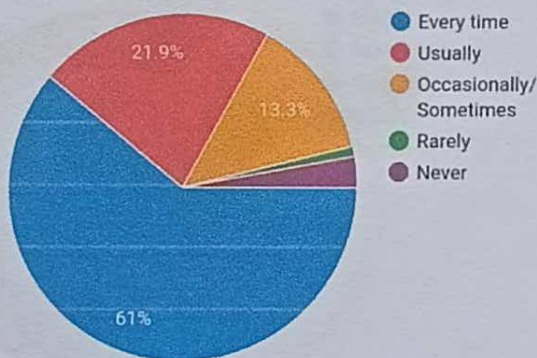

**9. The institution provides multiple opportunities to learn & grow.**

105 responses

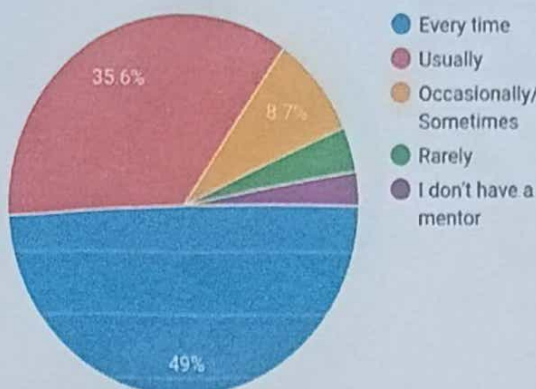

**10. Teachers inform you about your expected competencies, course outcomes and programme outcomes ?**

105 responses

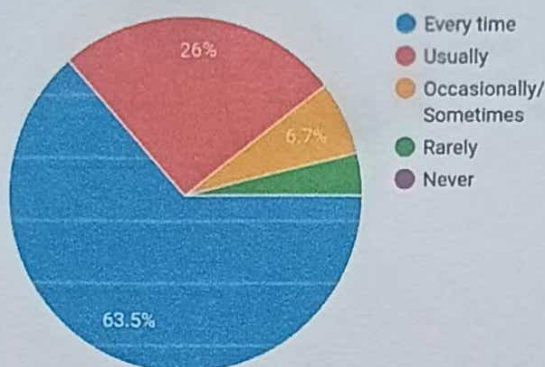

**11. Your mentor does up necessary follow-up with assigned task to you.**

104 responses

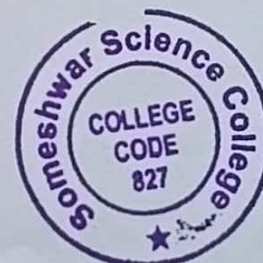

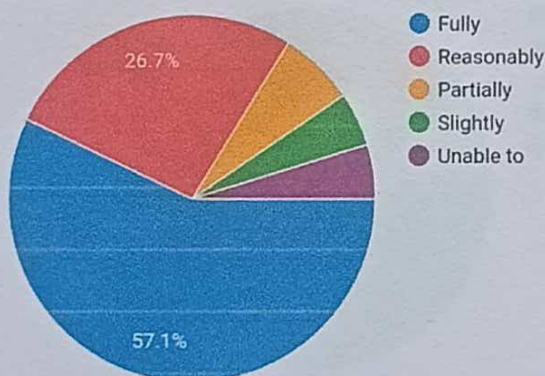

**12. The teachers illustrate the concept through example and applications.**

104 responses

**13. The teacher identify your strength and courage you with providing right level of challenges .**

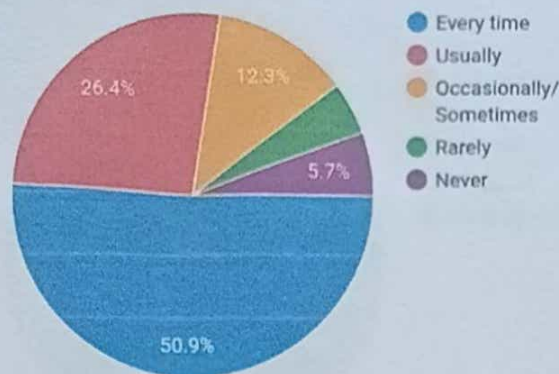

105 responses

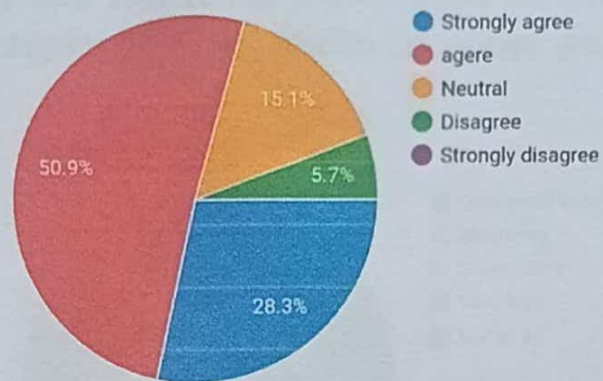

**14. Teacher able to identify your weakness and help you to overcome them.**

106 responses

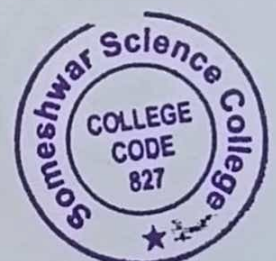

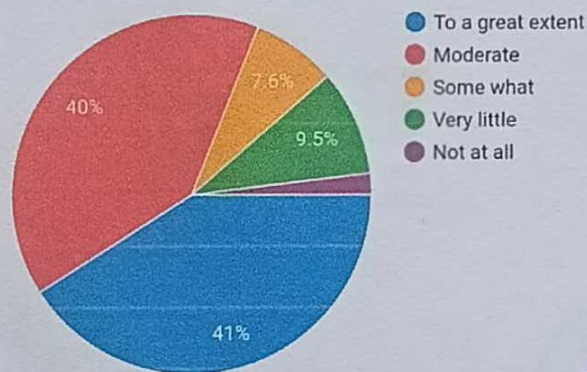

**15. The institution makes efforts to engage students in the monitoring, review and continuous quality improvement of teaching learning process.**

106 responses

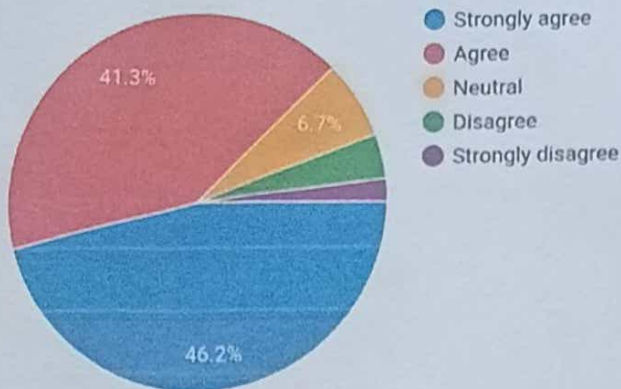

**16. The institute teachers use student centric, such as experiential learning, participative learning and problem solving methodologies for enhancing learning process.**

105 responses

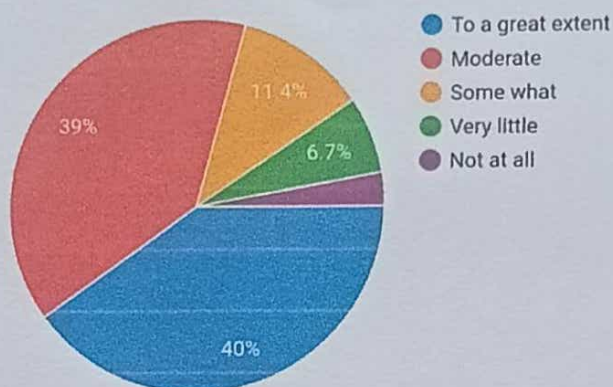

**17. Teachers encourage you to participate in extracurricular activities.**

104 responses

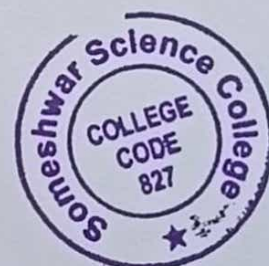

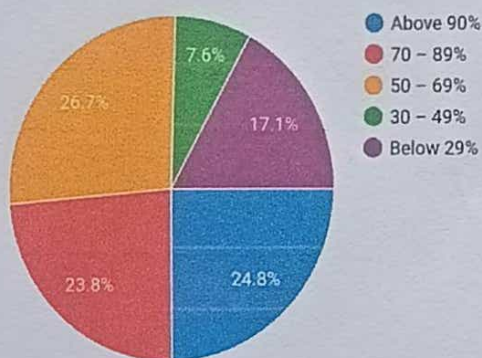

**18. Efforts are made by the institute / teachers to inoculate soft skills, life skills, employ ability skills to make you ready for the world of work.**

105 responses

**19. What percentage of teachers use ICT tools such as LCD projector, multimedia etc while teaching.**

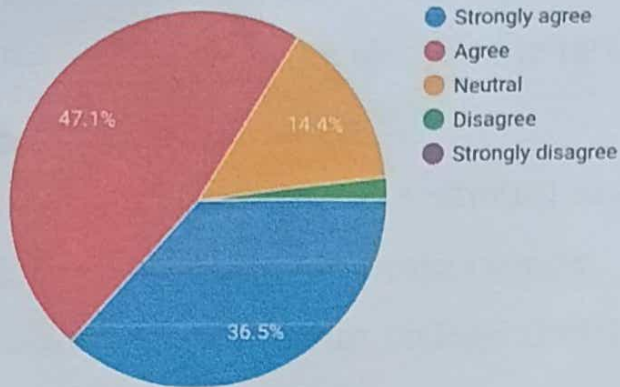

105 responses

**20. The overall quality of teaching learning process in your institute is very good.**

104 responses

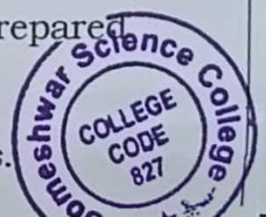

## **Students Suggestions**

### **1. To improve teaching learning process:**

1. Try to reach every student and ask for their doubts.
2. Overall teaching process was excellent. Students are satisfied by the learning process.
3. Completion of all subjects syllabus is in time.
4. Teaching is excellent.
5. All teachers are good, but they should also improve their teaching style especially in online mode.
6. Many students suggest that college should start by purely offline mode, because during learning always occur any network issues & noise disturbances.
7. Due to network problem some time teacher is not audible.
8. Teacher always clear the theoretical concept and also provide important notes.
9. Attendance is most important point that must need to notice that for all teachers they discuss with each other's and make rules and regulations about students attendance.
10. All teachers are performing excellently for improve teaching learning process.
11. Teacher briefly explain the hard points which is not simple to understand student.

### **2. To improve soft , life, practical skills, extracurricular activities, campus facilities for students**

1. To give best practices in programming, digital classes, arrange placement facilities for students.
2. Teachers can pair up two- two students and give them a subject topics to self learning and then perform this prepared chapter on lecture like seminar.
3. Teachers must needs to communicate with the students.

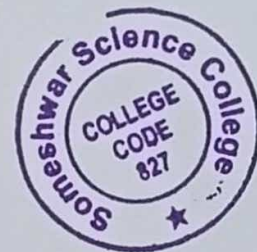

### **3. Use of ICT tools for teaching process:**

1. Use better graphics and visual media to engage students and give them a task daily to complete the study daily that teachers can teach regularly.
2. Use better graphics and visual media to engage students well.
3. College should start digital teaching-learning process.
4. Online teaching is easy for teacher, but understanding is hard for student because some time screen is not clearly visible.

### **4. To improve teacher and students interaction:**

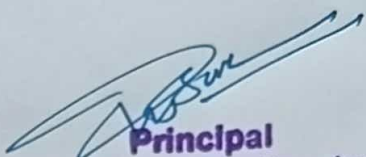

1. Give task for students to create a important questionnaire from their syllabus.
2. Ask students to give constructive feedback on each other's work and to explain difficult ideas to each other.
3. The teacher can understand this problem and improve communication
4. Identify and understand the weakness of student and help them to solve their problems.
5. Give them good feeling by your speaking and motivated them.
6. Communicate with student to solve their questions, problem.

## Action Taken Report

1. During Covid 19 pandemic situation lectures are delivered by online mode to increase the understanding of students, power point presentation, animation, video lectures are delivered by Google meet, zoom app etc. used for teaching process.
2. Teacher assign assignments, tests, online seminars to students for better understanding of concepts.
3. MCQs based test are prepare by using google form and test moz app to motivate and encourage students for online university exams.
4. Important notes are deliver in PDF format.
